**RELATED EXPERIENCE:**

Working knowledge of many PC and MAC programs including Photoshop CS5, DPP, Aperture, Final Cut Pro, Final Draft, Movie Magic, Avid, Premier, and RED Cine-X Pro. Vast experience with P2 media management, AVCHD, and RED and R3D workflows. Hands on experience with the Red One 4k digital camera, RED Epic, and owner of RED Scarlet with support. I've had personal training from Ted Schilowitz, President and Co-founder of Red Digital Cinema in RED advanced features. Additionally, I have received personal training from Tom Bolens at Clairmont Camera in Los Angeles with the Arri 435 film camera and loading procedures. I have hands on experience with the Aaton A-Minima super 16mm film camera and am an owner of an Arri SR3 super 16mm film camera with support. Additionally, I have over 25 years retail photographic processing industry experience. I am also a photographer and small business owner with over 25 years in customer service and sales and have an extensive list of still photographic and HD video, SteadiCam, sound, and lighting equipment.
